FOR IMMEDIATE RELEASE

SUSPENSION OF AWESOME TV FROM MYTV PLATFORM

MYTV Broadcasting Sdn Bhd (“MYTV”) has made an announcement regarding the suspension of Awesome Broadcasting Sdn Bhd’s Channel (Awesome TV) from its broadcasting platform. This decision, set to take effect from 2nd November 2023, has been reached due to ongoing commercial issues involving the payment of access fees between MYTV and Awesome TV, despite concerted efforts from both parties to resolve them.

The suspension of Awesome TV is regrettable and we sincerely apologise to our valued viewers for any inconvenience caused. We appreciate the support and understanding of our valued viewers during this time and assure them that we are working tirelessly to find a resolution in the best interest of everyone involved.

MYTV remains committed to delivering a wide array of high-quality content through its broadcasting platform, and we will continue to offer our viewers with access to compelling and diverse programming choices.

###

About MYTV Broadcasting

MYTV Broadcasting is responsible for the development and operation of Malaysia's Digital Terrestrial Television (DTT) infrastructure and network facilities under the National Broadcasting Digitalisation Project. The project aims to transform Malaysia's TV broadcasting landscape and bridge the digital divide by providing accessibility and equal access to the Rakyat. MYTV is Malaysia's only platform for free digital TV currently accessed by 6.3 million viewers nationwide, with no monthly fees or charges.

In tandem with the evolving technology and changing media consumption habits of the people, MYTV has launched MYTV Mana-Mana application which enables viewers and the entire Malaysian population to access TV and radio channels, movies, and their favourite on-demand content whenever and wherever they want.

MYTV Broadcasting Sdn Bhd (897549-X).

MYTV Broadcasting bertanggungjawab untuk membangunkan dan mengendalikan infrastruktur rangkaian Televisyen Terestrial Digital (DTT) di bawah Projek Pendigitalan Penyiaran Nasional. Projek ini bertujuan untuk mengubah landskap penyiaran TV di Malaysia sambil merapatkan jurang digital dalam kalangan rakyat dengan menyediakan kebolehcapaian dan akses sama rata kepada semua. MYTV merupakan satu-satunya platform di Malaysia yang menyediakan siaran TV Digital yang kini diakses oleh 6.3 juta rakyat Malaysia secara percuma, tanpa sebarang yuran atau caj bulanan.

Dalam usaha untuk menambahbaik perkhidmatan MYTV dan selaras dengan evolusi teknologi terkini, MYTV telah melancarkan aplikasi MYTV Mana-Mana yang membolehkan penonton sedia ada dan rakyat keseluruhannya mengakses rancangan TV dan radio serta kandungan "on-demand" kegemaran mereka pada bila-bila masa dan di mana sahaja.
